About One Network Enterprises

One Network Enterprises (ONE) is the leader in supply chain autonomous planning, control towers, and provider of the Digital Supply Chain Network™. It is the only solution that gives supply chain managers and executives end-to-end visibility and control with one data model and one truth, from raw material to last mile delivery. Powered by NEO, One Network’s machine learning and intelligent agent technology, it enables seamless planning and execution, across inbound supply, outbound order fulfillment, and logistics, matching demand with available supply in real-time. Lead your industry by providing the highest service levels and product quality at the lowest possible cost.

Receive Email:

- You will receive an email from One Network with a link to log in and set your password.

Set Your Password:

- Click on the link provided in the email.
- Follow the instructions to create and confirm your new password.

Onboard to One Network

- Select if you are a **Carrier** or **Vendor** for Bayer.

ONBOARDING PAGE FOR JOINING ONE NETWORK

Please fill in the information below and then press "Next".

Items required fields are marked with an asterisk symbol.

Once done, this will complete the One Network onboarding process. You will then be able to access the One Network application.

Please note: Any Shippers you are working with will be notified by One Network to create a partnership with your company which will then allow you to access their shipments. This may take up to 1 business day once the Shipment has been notified.

If you have any questions, please contact our Network Operations Center using one of the methods below:

- 888-552-1234 (toll free)
- 877-456-1234
- help@onenetwork.com

Type Of Company:

Please select the radio button next to your type of Company:

☒ **Carrier**

☐ Customer Broker

☒ **Vendor**

☐ Vendor with Private Fleet

☐ Other

☐ Lead Logistics Provider

Select this option if you are a Carrier and would like to join One Network to perform functions such as accepting or rejecting tenders, scheduling appointments and tracking shipments.

Select this option if you are a Customer Broker and would like to join One Network to perform functions such as updating shippers with customer pricing updates such as Customer Churned, Customer substituted etc, and tracking shipments.

Select this option if you are a Vendor and would like to join One Network to perform functions such as order consolidation, order creation, scheduling appointments, and tracking shipments.

Select this option if you are a Vendor and also have your own private fleet and would like to join One Network to perform functions such as accepting or rejecting tenders, scheduling appointments and tracking shipments.

Select this option if you are a Client and would like to join One Network to perform functions such as generating transportation strategy.

Select this option if you are a Lead Logistics Provider for a Shipper and are managing their transportation.

Financial Terms

For LSPs – please populate the Financial Terms Code section with “BCSLSP”
For RMS – please populate the Financial Terms Code section with “BCSRMS”

Then click “Load Financial Terms” to reflect that no fees apply when working with Bayer Crop Science.

The screenshot shows a web form titled "Financial Terms". At the top, it says "Please read and agree to the Financial Terms. If you were provided with a Financial Terms Code, enter it in the text box and then press the 'Load Financial Terms' link to view your specific Financial Terms." Below this is a text box for "Financial Terms Code" containing "BCSRMS" and a blue link "Load Financial Terms".

Below the code box is a section titled "Standard RMS Fees:" with a bulleted list:

- If existing RMS connects to other "customers" on One Network:
 - Standard connection fee, \$25 per user per month, which is standard on One Network agreements

Below the fees section is a "Billing Information:" section with the instruction "Please fill in the Billing Information below." and a note: "The billing contact is the person at your company who will be responsible for paying any applicable fees incurred through your company's use of the One Network System." The form includes fields for:

- * Billing Contact First Name: Text
- * Billing Contact Last Name: Text
- * Billing Contact Email: partner_cristian@bayer.com
- * Billing Contact Phone: 555-555-5555
- Billing Contact Fax: (empty)
- * Billing Address: 1234 Company Lane, Knoxville, TN 37932, US

Below the billing information is a "Terms Agreement:" section with the text: "By selecting the Agree checkbox below and entering your name in the Accepted By field, you are stating that you have read and agreed to the Terms of Use and the Financial Terms as stated above." It includes an "Agree" checkbox (checked) and an "Accepted By:" field with the text "John Test".

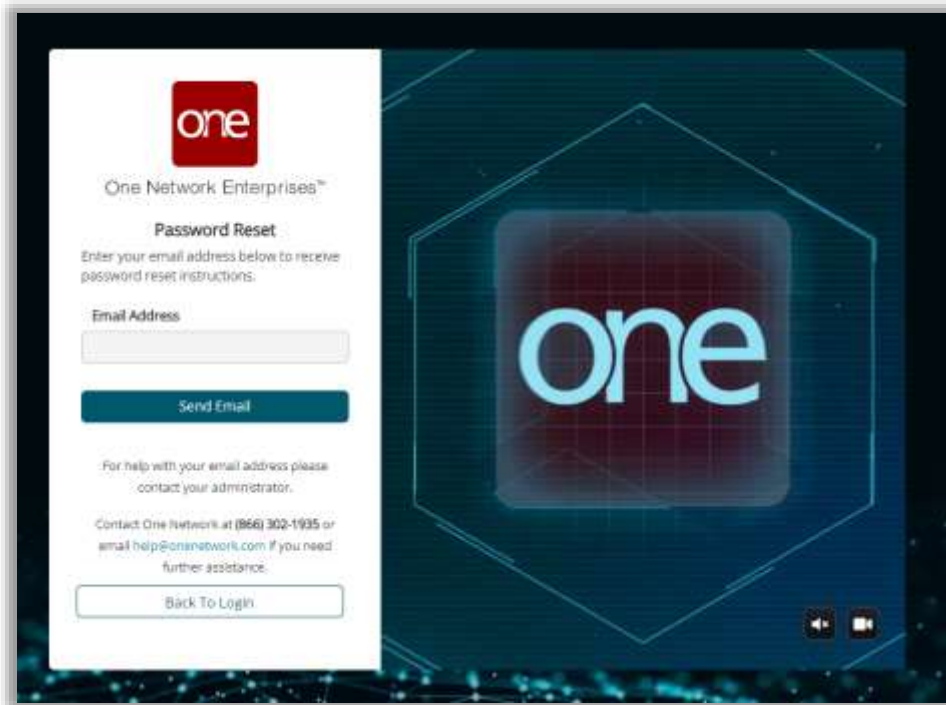

Onboarding Successful

When the success message appears, you have officially onboarded to One Network.

Link Expiration:

- If the link in the email has expired, don't worry. You can reset your password by following these steps:

Reset Your Password:

- Visit this link: <https://rtvn9423.onenetwork.com>
- Click on "Forgot Password."
- Enter your email address associated with your One Network account.
- Follow the instructions to reset your password.

Log In:

- After resetting your password, log in using your email and new password.

If you encounter any issues, please contact support for assistance at partner_onboarding@onenetwork.com
